UPC +3 YEARS A VIEW ON EUROPEAN PATENT LITIGATION

18 MAY 2026
11:00 A.M. – 6:00 P.M.
Munich, German Patent
And Trademark Office

LES Germany, **LES France**, and **LES Italy** invite to the next edition of the successful seminar series on the Unified Patent Court (UPC).

This year's event marks three years of the UPC in action and brings together distinguished speakers from UPC courts, national judges from various European jurisdictions, and leading industry representatives.

The program will feature:

- Insights in national and UPC judges on current developments
- Comparative perspectives on inventive step in material patent law
- Industry experiences and practical viewpoints
- A fireside chat on the Enforcement Directive

Join this unique opportunity to exchange perspectives on European patent litigation and connect with experts shaping the future of intellectual property law in Europe.

Further details and registration information will follow soon.
